Color _____

IMPORTANT NOTES

Registration of all vehicles belonging to your address at Symphony Park is mandatory and per the policy established by the Symphony Park HOA Board of Directors.

We strongly encourage residents to park in their garages and driveways so that on-street parking is available to their guests and other visitors.

Any vehicle that does not display a proper sticker or guest tag is subject to being towed. Towing fees are the responsibility of the vehicle's owner and will not be the responsibility of the Symphony Park HOA.
